

- 12W - 18W - 25W Models available both in 3000K & 4500K
- Edge lit panel for optimal illumination
- SMD 2835 LED as Light source
- High light output at a reduced energy consumption
- Long Lifespan of over 40K hours - L80 Tested
- Wide angle of illumination with even light distribution,
- High CRI >85 (Colour Rendering Index) for natural looking light,
- Beam Angle of 100°
- Slim and light weight design - 40mm thick
- Dali, Triac, 0-10V dimmable drivers available
- 5 Years Limited Warranty

SURFACE ROUND PANELS - SOLARIS-S

6W-25W round panels for commercial applications

SOLARIS Series Round Panels are a slimline, modern design down lighters. Specified and designed in EU, targeted for European market's style requirements. All SOLARIS Series panels come with a perfect surface finish and soft, natural looking light output. With edge lined LED as light source, illumination surface of the panel provides even output at 100° angle of light. Using only the finest diffusers, Lumeno panels provide illumination without an unwanted glare.

Surface round panel has been designed and introduced into the range to provide hard ceiling solution within SOLARIS Series. RPL-S comes with a high lumen to wattage performance (85-90LM/W) and lamps size variety between ø180 mm – ø300 mm. Fittings offer an easy installation with driver fitted and concealed behind the lamp. Lumeno SOLARIS series panels come with a dedicated, non-dimmable constant current driver included and a reliable 5 YEARS warranty.

LED Source	SMD 2825 EPISTAR Dual Chip
Lifespan	40K Hours (LM80)
CRI	>85Ra
Input Voltage	200V-245V AC
Light Beam	>100°
Material	Anodized aluminum, PMMA Acrylic diffuser
Rating	IP40
Efficiency	85-90LM/W
Product finish	Powder Coating / White fishish / Brushed Nickle
Warranty	5 Years
Certification	CE Rohs Triple E
Environment	-20 - +50°C
Dimming	Non-Dimmable, Dali, Triac, 0-10V
Accessories	Complete with Non-Dimmable driver. WAGO connectors,

Drivers and accessories

LM-PSD XX C	Standard dimmable drivers, phasecut/triac
LM-PSD XX N	0/1-10V Dimmable drivers
LM-PSD XX D	Dali dimmable drivers

XX - 12, 18, 25
